I acknowledge and accept the following:

- a) Inspection means verification & sampling from the full quantity of commodities as stated in the contract. Therefore Chemiphar (U) Limited requires access to the full amount of commodity claimed to be ready for inspection. Only this amount of commodity shall be confirmed by Chemiphar (U) Limited.
b) Commodities shall not be inspected when found still under fumigation to protect the inspector's health and to ensure proper sampling. If commodities are found under fumigation, the inspector will return and the visit shall be seen as a full inspection and charged as such.
c) In situations where there is a buyer and seller, the supplier can at own cost and for own convenience decide to organise extra inspections of the commodities.
d) The inspection reports are sent only to the customer who commissions the inspection of the commodities.
e) The customer (Buyer or supplier) has to provide all assistance necessary for the inspector in order to be able to take representative samples from the whole lot. If no co-operation is received, the inspector has the authority to return and leave the commodities uninspected.
f) Upon signing the contract, the proforma invoice will be issued as soon as possible.
g) To the extent permitted by applicable law, no claim may be made by the buyer or any other Person against the Company, or the affiliates, directors, officers, employees, for any direct, indirect , consequential damages , special or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement, or any act, omission or event occurring in connection therewith; and Buyer hereby waives, releases and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favour.
